

Serial No. 10/066,801

REMARKS

Applicants thank the Examiner for the indication of allowable subject matter in claims 1 - 26. Claims 27 - 29 were also indicated to be allowable except for the presence of patentably distinct conditions in the claims. Restriction was required as to the conditions depressions, drug abuse, alcohol abuse and mental illnesses in claims 27 and 28 and as to the conditions Alzheimer's disease, AIDS dementia and anxiolysis in claims 27 and 29. By this amendment, the restricted conditions have been deleted from the respective claims, without prejudice to, or disclaimer of, applicant's rights to prosecute the subject matter thereof in an appropriate divisional application.

Minor clerical corrections also have been made in claims 18 and 26, without any change of scope or intended meaning.

Entry of the amendments and favorable action on the application are earnestly solicited.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

Respectfully submitted,

September 30, 2003
